Number 16

Commencement Exercises Next Sunday

College Awards 42 Scholarships; Chicagoan First

One hundred and twenty high school seniors, representing 42 high schools in Illinois, Indiana, Michigan, and Ohio, competed for 16 scholarship awards offered by St. Joseph's at ten different testing centers on Apr. 21 and 28, and May 5 and 12.

Tabulation of the results of the examinations revealed so many excellent papers of almost equal merit that college authorities felt impelled to seek ways and means of extending the scholarship grants to a larger number of superior students. Trustees, alumni and friends of St. Joseph's generously responded to an appeal for scholarship support, with the result that the college was able to award 26 additional awards, making a total of 42.

Chicagoan Is First

Winner of the top award of a \$1000 scholarship, or \$250 a year for four years, was Robert A. Paton, senior of St. Mel High School, Chicago.

Twenty-nine boys won awards of \$800 scholarships, or \$200 a year for four years. They were: Edmund Byrne, Spalding High School, Peoria, Ill.; Donald Frew, Mt. Carmel High, Chicago; Gerald W. Main, Fenwick High, Oak Park, Ill.; Joseph F. Colligan, Marquette Academy, Aurora, Ill.; John M. Higgins, Cathedral High,

Campus Elections Decide Leaders

Frank Pavalko, Don Nowicki, and Ray Pfriem have been elected presidents of next year's Senior, Junior and Sophomore classes, respectively. Newly-elected presidents of other campus organizations include: Commerce Club, Pat O'Neill; Sanguinist Club, Phil Gilbert; Glee Club, Louis White; Columbian Players, Bob Kunka; Lake County Club, John Onahan; and Chicago Club, Joe Gill.

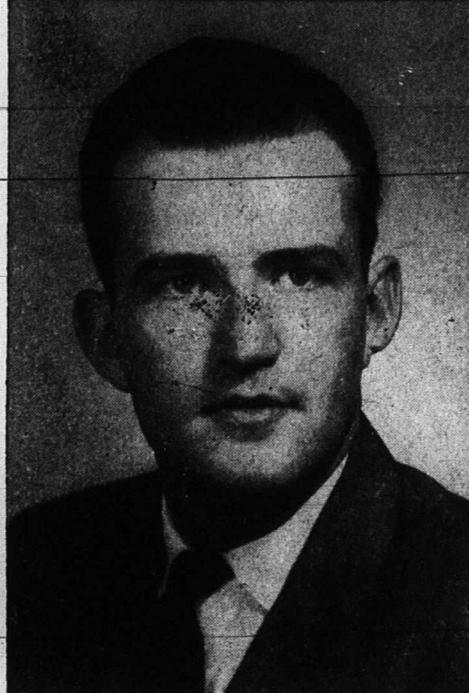

The complete roster of class officers is as follows: Seniors, Pavalko, and Phil Gilbert, vice president; Jim Drake, secretary-treasurer. Juniors: Nowicki, and Bob Krusenklau, vice president; Dan Deneau, secretary; Bob O'Connor, treasurer. Sophomores: Pfriem, and Bill Zimmer, vice president; Bob Gallagher, secretary; Pat Evard, treasurer.

Club officers include: Commerce Club, O'Neill, and George Greco, vice president; Ron Hospodka, secretary; Tom Vonderhaar, treasurer. Sanguinist Club: Gilbert, and Andy Davey, vice president; John Metzner, secretary; Paul Steigmeyer, treasurer. Glee Club: White, and Tom Van Acker, vice president; Leonard De Fabo, secretary-treasurer. Columbian Players: Kunka, and Bob Gregoire, vice president; Don Clark, secretary; Joseph Konkel, treasurer. Lake County Club: Onahan, and Gerry Wenzel, vice president; Louis Giacomin, secretary-treasurer. Chicago Club: Gill, and Ray Saxelby, vice president; Bill Ferguson, secretary-treasurer.

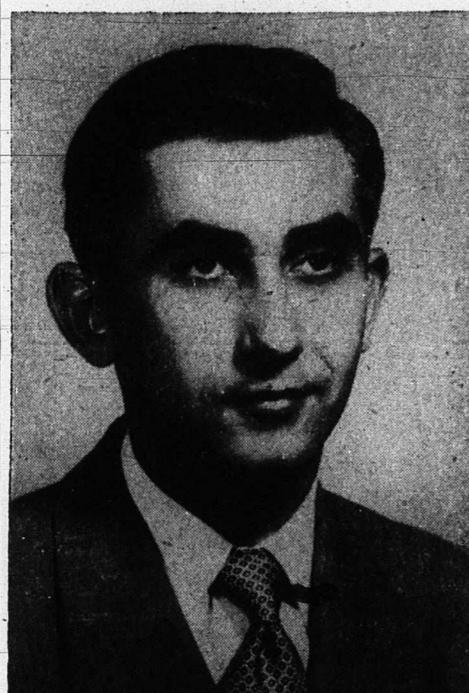

SENIOR OFFICERS

JOSEPH McGRATH, Pres.

FRED WELSH, V. P.

GEORGE PETERS, Sec'y.

GERALD GARREN, Treas.

Geology Students On Western Trip

Fourteen geology students from St. Joseph's, under the direction of Father Carl Nieset, will apply their classroom knowledge directly to diverse rock formations of the West during a two-week, 4000-mile field trip which gets under way next Monday.

Taking in seven states, the group's route includes the Rocky Mountains of northern Colorado, copper mining districts in Utah, Big Horn Mountains and Yellowstone National Park in Wyoming, the Black Hills and the Badlands of South Dakota, and the unglaciated area of Wisconsin.

Travelling by automobile and camping out, the local rock specialists will be self-sufficient in their travels even to the extent of having daily Mass said at a portable altar.

The trip, which is an annual feature of the Department of Geology, gains a student two upper-level credit hours. On alternate years the tour is made through the southwestern states.

Father Norman Schmock also is scheduled to accompany the group.

Condolences

To Father Francis Sullivan on the death of his mother, to Paul Rall on the tragic death of his brother, and to Richard Dwyer on the death of his father.

Kuhn Triumphs in Freshman Speech Contest, May 31

George Kuhn, Detroit, Mich., emerged as champion of the second annual freshman speech contest held May 31, in a triumph over five other contestants. Kuhn received the \$15.00 top prize for his talk on "The Relation Between Communism and the American Government."

A second prize of \$10.00 was awarded to Louis Joseph, also of Detroit, who spoke on "The General Aid for Education." Third prize of \$5.00 was won by Paul Rall, Upper Sandusky, Ohio, for his speech on "How Do Our Colleges Fail to Meet the Student's Need," and fourth place money, \$5.00 went to Richard Uecker, Fort Wayne, who spoke on "The Cause of Racial Hatred." Also included among the six contestants, victors in their respective speech classes, were Ralph Neff, Oak Park, Ill., who spoke on "Why Do People Hate Franco?", and George Smolar, Whiting, Ind., who proposed the question, "Should Negroes Be Allowed to Enter Southern Universities?"

The speakers were introduced by Chairman John Bassett, who presided over the contest. The judges were Father Birkley, Mr. Joseph Druse and Mr. George Strong.

(Continued on Page Four)

Monsignor Schall Slated to Give Annual Baccalaureate Address

The fifty-sixth annual commencement exercises of St. Joseph's will be held next Sunday, with the Most Rev. John G. Bennett, D.D., Bishop of Lafayette, presiding. A priest-alumnus of the college, the Rt. Rev. Msgr. John P. Schall, pastor of St. Vincent's church, Logansport, Ind., will deliver the baccalaureate address, and the Rev. Walter Pax, Dean of the College, will present the diplomas to the graduates.

In the morning faculty and graduates in academic dress will attend a Solemn High Mass, with the Very Rev. Alfred Zanolari, President of the College, as celebrant. Dinner will be served to the graduates and their guests in the cafeteria from 11:30 to 1:00 o'clock.

Academic hoods will be imposed upon the graduates prior to the academic procession to the College Theatre for the Baccalaureate Exercises at 3:00 o'clock. Following the conferring of degrees, an informal reception will be held in the Recreation Hall from 4:00 to 5:30 o'clock.

Members of the senior class and the field in which each majored follow:

A.B. in English: Gaines G. Bateman, Danville, Ill.; Felix T. Braun, Decatur, Ind.; Robert B. Cahill, Cicero, Ill.; David L. Coady, Kokomo, Ind.; John A. Cummings, Jr., Richmond, Va.; Walter L. Johnson, Gary, Ind.; Gregory G. Presnail, Mansfield, Ohio; Paul V. Tanner, Owensboro, Ky.; and Thomas E. Wingo, Chicago.

A.B. in English-Journalism: Robert E. Braithwaite and Francis E. Gilligan, both of Chicago.

A.B. in Business Administration: Clifford J. Beaver, Jr., Rensselaer, Ind.; Daniel W. Boylan, Fort Wayne; Edward D. Collins, Fostoria, Ohio; Henry B. Croak, Harvard, Ill.; Robert J. Doyle, Gary; Thomas J. Emerson, Chicago; Daniel H. Feldhake, Indianapolis; Gerald F. Garren, Chicago; J. Patrick Gavin, Gary; Leonard D. Holland, East Gary; Thomas W. Kirgis, Chicago Heights, Ill.; Robert E. Lamkin, Chicago; Joseph W. McGrath, Chicago; Joseph F. McNamara, Indianapolis; Patrick A. Maloney, Ridgway, Ill.; James C. Murray, Jr., Chicago; Thomas A. Owens, Indianapolis; Joseph G. Paonessa, Chicago; Keller A. Riede, Louisville, Ky.; Robert M. Vladova, Jr., David L. Walsh, and Frederick M. Welsh, all of Chicago; Virgil A. Wibbelman, Jr., Washington, Ind.; and Richard C. Worden, Rensselaer, Ind.

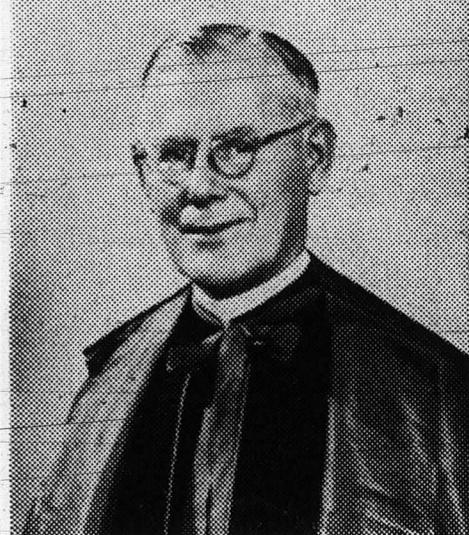

A.B. in Economics: Robert J. Cenar, Chicago; Thomas W. Colquitt, Chicago; Donald J. Cooney, Woodstock, Ill.; Joseph A. Daly, Elmhurst, Ill.; Thomas F. Delaney, Jr., John R. Frawley, and Lary S. Gilbert, all of Chicago; Louis A. Hohe, Huntington, Ind.; Thomas G. Johnson, Esseville, Mich.; Philip J. McLaughlin, Hammond, Ind.; Joseph L. Reedy, Youngstown, Ohio; Ronald K. Stasko, Chicago; and John C. Worden, Rensselaer, Ind.

A.B. in Accounting: Charles J. Korba, Jr., Kokomo, Ind.; and Paul R. Scheiber, Huntington, Ind.

A.B. in Marketing: John A. Kaczmarezyk and Ernest C. Stockman, both of Chicago; and Robert R. Ryan, Fort Wayne. A.B. in History: Raymond J. Biller, Saginaw, Mich.; Hugh D. Rossi, Middlebury, Ohio; Paul J. Ryan,

SPEAKER

MSGR. SCHALL

Glee Club to Be On Air, Thursday

The St. Joseph's College Choral Concert will be on the air tomorrow. In the first of two fifteen-minute performances over Chicago FM station WFJL, 93.1 megacycles, the Glee Club and Choir of St. Joseph's will present four selections including the Alma Mater, "Stodola Pumba," and "Sophomoric Philosophy," in a program beginning at 8:30 P. M. The series will conclude June 14 with a concert which will include the Alma Mater, "Where the River Shannon Flows," and "The Cannibal King." This performance will mark the fifteenth concert given by the Glee Club this school year.

Plans are being made with station director Miss Rosemary McCarthy for a possible weekly program by the Glee Club over WFJL during the 1951-1952 school year.

Brothers to Leave for Europe on 'Washington'

When Brother David Schneider and Brother John Kreuzhermes leave New York, next Tuesday, aboard the S. S. Washington, they will be bound for Europe to visit relatives and scenes they last saw 20 years ago.

Brother David will leave the ship at Havre, France, and go by train to Basel, Switzerland, and later to Germany and Italy. Brother John will stay on to Hamburg and remain in Germany for the summer. The Brothers will return together on the Washington in late August.

In 1931 Brother John and Brother David were on the Continent separately.

1950-51 In Review

With the closing of another school year at St. Joseph's, a year marked by giant strides in many student activities, it behoves us to sit back and relax from our labors while we glance in retrospect over the past nine months of study, worry, and fun, and reminisce about the interesting times we have had. And by what we learn from the past, we may be able to foresee what will occur in our next nine months here on the St. Joe campus.

The period from September, 1950 until June, 1951 was marked by a number of worthwhile innovations in campus life. The Homecoming week-end, successful despite the adversity of nature, brought forth a spectacle that may well be the beginning of a new tradition for St. Joe. The parade and carnival combined to add a certain touch of color and gaiety to the week-end that was not present until this year. With all signs presaging future and more elaborate celebrations, this could well become the high point of the first semester.

Other projects demonstrated a hint of enthusiasm which may blossom into a more vigorous school spirit. The Junior Prom produced the peak in St. Joe's social affairs. The most highly-regarded event has set a definite challenge to future junior classes and to future students in general. Combined action by the whole student body brought about effective results, last December, when pleas for a lengthened Christmas vacation were met with approval from the school administration and the request was granted. Such affairs as the pep rallies in the beginning of the football season, and the favorable student reactions to some of the convocations suggest the possibility of a bigger and more cooperative student body.

The year marked improvements in club activity. The Columbian Players turned in stellar performances with "The Drunkard" and "The Comedian"—plays which showed the general public that the organization is extremely capable of producing a professional piece of work.

The Glee Club, venturing abroad on a scale never attempted before, has already made itself and its concerts popular with groups in the nearby area and promises even further development next year. Such campus organizations as the Albertus Magnus Club and the Father Falter Post set a high standard for campus group activity.

Pointing to a brighter future were MEASURE and PHASE. The former, the literary organ of student writing, arose from the dust of oblivion to appear upon the scene triumphantly as an activity to be watched closely in the near future. PHASE established a new record for promptness and should stand as the start of a new era of efficiency and accomplishment in the development of the yearbook.

On the whole, the outlook for 1951-52 is one of optimism. With stronger sport teams indicated, with activities expanding beyond the confines of the college grounds, and with a new, higher level of school spirit in view, it may well be that the coming nine months will be the most productive in all the 61 years of St. Joseph's history.

We Want Communists!

As much as the satanic creed of Communism evokes our hatred, so much are we compelled to admire the Communists. They possess a dynamism unmatched in history. In thirty-three years the Reds have unfurled their banner from France to China, and have infiltrated into every part of the western hemisphere. Their zeal is unbounded. But it has been diabolically misguided. It has crushed instead of built; it has hated instead of loved.

The essence of zeal is motion, and its object is accomplishment. Red zeal has reaped the fruits of fear and hatred, for that is the seat of their motion. Many, looking upon Red accomplishments, would like to sit back and wait for an atomic war to annihilate the Communists. But bombs do not kill ideas, and such thinking and hoping is the result of ignorance.

Violence is not the solution, but incorporation into the Catholic Church is. Monsignor Fulton Sheen has written, "I love Communists, but I hate Communism." And that must be the sentiments of all Catholics. Our love for them must move us to pray for their conversion to God and the things of God. For, if the zeal with which the Communists work can accomplish so much under the instigation of damned angels, how much more could it accomplish under the Queen of Angels and Mother of Men.

Mary, being so precious to God, can do wonders with Red zeal. At the moment of her Immaculate Conception Mary received more graces from God than were granted to all men and angels. How ready then will God not be to grant her

(Continued on Page Four)

Outlook Good For 1951 Grads

The job outlook is excellent for this year's college graduates, U. S. Secretary of Labor Maurice J. Tobin stated in a report to college newspapers. Both rising civilian demand and the needs of the defense program have created a generally tight labor market, with acute shortages of workers in some occupations and local areas. In occupation after occupation, the demand for workers has risen rapidly since June 1950. The total number of employees in non-agricultural establishments increased by 2 million between June 1950 and April 1951, and unemployment dropped sharply. More people are at work this spring than in any previous spring in the Nation's history.

Future employment prospects vary between professions, however. This is indicated by the research done by the Department of Labor's Bureau of Labor Statistics in preparing a forthcoming, new edition of the Occupational Outlook Handbook. The following paragraphs illustrated in national terms the varying effect of the defense program and the long-run trends in a number of important occupational fields. Such an abbreviated national picture of the outlook for college graduates should be supplemented on the job-seeking student with more detailed information from campus placement and guidance bureaus and local offices of State employment services affiliated with the Labor Department's United States Employment Service. These services can add the local and regional aspects of the employment outlook picture. They also can provide professional counseling, testing and placement services which greatly facilitate the finding a satisfactory job.

Natural Sciences

The defense program has also brought a sharp increase in demand for physicists, chemists, and other scientists. As mobilization advances in the near future, personnel needs in these fields are likely to rise still further. The increase in hiring is intensifying the shortages of scientists with graduate training, which existed even before the Korean crisis began. Further gains in employment are to be expected over the long run, since the natural sciences, like engineering, are among the Nation's fastest-growing occupations.

Teachers Needed

In elementary school teaching, need for additional personnel is great and increasing. The shortage of qualified teachers for the elementary grades will probably be intensified in the next few years by the combination of sharply expanding enrollments in these grades and losses of teachers to other, higher-paying fields of work.

At the high school level, an oversupply of teachers developed in most subject fields during the past year or two but this is shrinking very fast, as opportunities open up in other fields. Furthermore, high school enrollments will begin to rise slowly in the next couple of years; in the last half of this decade the number of high school teachers needed will grow rapidly.

Demand for Accountants

The surplus of new graduates in accounting which existed early last summer has practically disappeared. Private industry has recruited many accounting graduates to handle increased industrial accounting work arising from the changeover from civilian to military production, as well as to fill junior administrative posts. There has been a particularly rapid increase in the demand for cost accountants, and opportunities for graduates with such training should be very good. The long-run outlook is for continued slow growth in the profession as a whole.

Competition for Journalists

The outlook in the immediate future in most professions is one of increasing employment oppor-

champagne

By FRANK J. PAVALKO

A column that sends a toast to everyone because everyone is news! BEST WISHES FOR SUCCESS TO ALL OF OUR DEPARTING SENIORS! THOUGH YOU MAY BE LEAVING THESE HALLS YOU WILL BE A PART OF THEM FOREVER!

ADOPTION: Ulysses Solomon Pumpernickle, a frisky baby squirrel, has been adopted by John Bassett and Gene Finnell. He spends most of his time tilting ink bottles and redesigning the rug.

SUCCESS STORY: Charles Esterhamer, '50, after graduating from St. Joe competed with graduates from Notre Dame, Northwestern, and two other large Universities for the position of insurance actuary with a large insurance company in Chicago. The intensity of the competition was high since there are only 700 actuaries in the whole nation. Chuck won, hands down, proving once again that St. Joe men can hold their own.

THE LOST DIAMOND: Recently, Lary Gilbert, won a diamond ring on a Quiz Show. The only cost involved was a \$5.00 shipping charge. When he received the ring, his first question, after an exhaustive search, was, "Where's the diamond?"

CONGRATULATIONS: to Joe's Boys for winning first place in the 12-inch softball league. Here are those stars in a field of stars... John Schulte, Ron Hospodka, Jim Luxenberger, Bob Kaufman, Paul O'Connor, Fred Hollinden, George Brown, John Griffin, Don Schubert and George Herr.

AND THE SAME: to Dan Sullivan and his Blacksheep, champs in the 16-inch league. Dan had a rounded out team in Tom Saxelby, Ed Swanson, Gerry Garren, Bob Wasni, Bill Gausselin, Ed Zander, Dick Soich, Bill O'Brien, Joe Gill, Al Fellinger, Bob Blaeser, Jack Geary, and Fred Handler.

SIDE GLANCES

Ted DeGroot, '52, here for a visit. He may return to his old class next year... Father Bosler, associate editor of the Indiana Catholic visiting his brother Paul Bosler last week... Who is the lay professor on the campus that has been asking for a student ticket at the local theatres?... Mike Ryan, '54, ready to enter the Navy Air Force School... Jim Ryan, '54, working in an office at Biloxi, Miss. for the A. F. ... Father Baird completing plans for the formation of a Lake County Mothers' Club. There will be a luncheon for them on June 6 at 12:30 P. M. in the Panel Room of St. John's Parish School in Whiting, Ind. ... Joe Gill, new president of the Chicago Club, has announced that there will be a picnic held on July 22 for all members. Expected: The enthusiasm of all! ... The Chicago Tribune will feature St. Joe in their "Youth On The Campus" series, Sunday, June 10th... Our opening football game this fall will be on the 23rd of September with Lorain... Homecoming game will be on Oct. 6 with Valpo, and on Dad's Day, Nov. 18, we play Lewis... Father Davitt will officiate at Ernie Bidwell's wedding on June 23. As a point of interest he also officiated at Joe McGrath's wedding, last August... Gene Finnell will enter St. Paul's Seminary, St. Paul Minn., next fall.

GIRL CHEER-LEADERS: For a little zip and more pep, we are in favor of adding a couple of girl cheer-leaders to our own. Are you with us?

PERSONAL THANKS: To everyone who helped this columnist during the past year!

PARTING THOUGHT: When the windows in a house are dirty, you don't tear down the house, you wash the windows.

GOOD LUCK TO ALL AND A HAPPY SUMMER! UNTIL NEXT FALL, SO-LONG FROM CHAMPAGNE! GOD BLESS ALL OF YOU, AND OF COURSE... ST. JOE'S TOO.

Board of Lay Trustees Elects Officers; Father Otte, Secretary

The annual meeting of the Board of Lay Trustees of the College, called to consider proposed By-Laws and to elect officers, was held in the Library Conference Room, Friday, May 18.

By-Laws covering members, election of officers and their duties were unanimously approved by the Board. Mr. Robert A. Gallagher, president of the Public Service Company of Indiana, was elected Chairman of the Board; Mr. William A. Hanley, vice president of the Eli Lilly Company, Indianapolis, was chosen vice chairman; and Father Joseph Otte, College Treasurer, was named secretary.

Mr. James B. McCahey, Chicago, was elected a member of the Board, filling a vacancy left by the death of Mr. John E. Dwyer, last December.

An Executive Committee, a Committee to act as Council on Development, and a Committee of Honors and Awards were appointed by Mr. Gallagher, Chairman.

STUFF

Published bi-weekly during the school year, except during the calendar holidays of Thanksgiving, Christmas, Easter and mid-year examinations by students of St. Joseph's College. Entered as second class matter Sept. 20, 1937, at the Post Office in Collegeville, Ind., under Act of March 3, 1879. Subscription \$1.00.

STUFF — Wednesday, June 6, 1951 — Page Two

The Grapevine

* * * * In this final column of the year we would like to congratulate the tennis team on their successful campaign against some of the toughest opposition in the state of Indiana. The way the season started it looked as if it were going to be another session for a group of Puma winless wonders. As usual the unstable weather of early spring militated against sufficient outdoor practice and the first few meets played went to the other team when they weren't rained out. But the courts began to stay solid long enough for the locals to sharpen each other's game, and the break in fortune came against a strong crew which came down from Valpo. After eight closely-played matches the score was tied 4-4, when Ed Pluth and Joe Hawkins finally won the third set of the No. 1 doubles match to give a St. Joe team a rather dramatic first victory in the Indiana Collegiate Conference. To departing seniors and consistent point-makers, Hawkins, Pluth, and Bob Braithwaite: well-done. We also feel that Davey, Clark, Vonderhaar, Schnieders, Zimmer, and Nowicki will make up another fine team for Father Roof next year.

* * * * Perhaps St. Joe should have taken a leaf from those White Sox. Those Windy City Pale Hose and their recent 14-game winning streak attracted the fervid attention of all St. Joe sports lovers. We predict a highly successful season for the Southsiders, with at least a fourth-place berth clinched. We hate to say it, but this seems to be one of the few instances in which our illustrious predecessor, "Between Halves" erred, when he picked the Hose for the cellar this season.

* * * * Despite a rather dismal time for St. Joe in sports this year, prospects are looking up for next season. Those strong freshman teams now mean a strong varsity in 1951-52. In football, you'll be hearing a lot about such names as Dan Newman, Bill Zimmer, and John Filiatreau next year. Dick Soich, Ralph Meyer, and Frank Schroeder will give the basketball team the fire it has needed the past few years. Meyer, Bob Gallagher, Smoky Smolar, and Ray Pfriem have already made their presence felt on the baseball nine and will undoubtedly continue the good work in 1952. We predict next season's cry will be "Watch those sophomores!"

* * * * The commencement exercises on June 10th will deprive Collegeville of some really terrific athletes. Among those departing from the baseball team are Captain Keller Riede, fancy-fielding second baseman; John Barrientos, hard-hitting shortstop; and two other dependable performers, Bob Cahill and Bill Taylor.

MACKIN, REUTEBUCH SCORE!

Chuck McDermott Bats, Hurls Underclassmen to 8-4 Triumph

Bolstered by hard hitting for the first time, Chuck McDermott, varsity hurler threw a six-hitter at the departing senior members of the 1951 baseball squad, and came out on top, 8-4.

McDermott aided his own cause tremendously with a double and two singles in three trips to the plate. Phil Stahl also came through with a bang, connecting for three bingles in as many journeys to the batter's box. Butch Reutebuch, Skip Meyer, and Ray Pfriem all did their little bit, pounding senior hurler Don Tesmond for six of their team's 14 hits.

Tesmond followed McDermott's example and did some mighty swinging himself. A tremendous homer to deep left in the sixth inning was instrumental in removing McDermott in the seventh and bringing Charlie Kahle on the scene. He performed creditably in his one inning tenure.

Club batting champ John Barrientos came through again. Barry got two for three and sparkled on the field in a position not familiar to him. Bob Cahill also connected for two hits.

A two-run senior lead was wiped out in the very first inning as Bob Gallagher drove home Reutebuch and Meyer with a long single. Two singles and a fielder's choice scored another run for the varsity in the second, and this was followed in the third with a three-

run rally, highlighted by McDermott's double. With the score 6-2 against them, the seniors arose with a vengeance and scored two on Tesmond's circuit blow, which plated Smoky Ed Malone, who had walked. At this point, the varsity clinched the decision with a four-hit attack which netted them two runs, leaving the final total reading 8-4.

Line score:

Win Closes Puma Campaign

Netters Trounce State in Finals

St. Joseph's Puma racqueteers ended the 1951 campaign with five victories, four losses and one tie, as they bowed to Butler, 6-1, on May 23, and whitewashed Indiana State, 6-0, the following day.

The Butler-Puma match was an all-Butler affair almost all the way. Joe Hawkins and Ed Pluth were the only Pumas to win, as they downed Leverence and Dauert, 1-6, 6-0, 6-1 in a doubles match.

Hawkins battled valiantly in his singles match before bowing to Leverence in three bitter sets, 7-5, 7-9, 3-6. Davey was the only other St. Joe netter to come close to victory, when he extended Cotton to three sets before losing. The first set was all Davey, 6-1, but the second and third sets went to Cotton after a bitter struggle, 1-6, 6-8. The Bulldogs won the other matches with comparative ease. Pluth lost to Laetch, 4-6, 2-6; Davis defeated Braithwaite, 6-1, 6-1; Zimmer fell before Dankert, 4-6, 2-6; and Davey and Zimmer went down in defeat before Davis and Laetch, 5-7, 2-6.

State Easier

The following afternoon, the Pumas who could not win against Butler could not lose to Indiana State, blanking the State netmen, 6-0.

Hawkins started the victory parade with an easy triumph over McCabe, 6-1, 6-2. Pluth followed suit and downed Fallowfield, 6-2, 4-6, 6-2, after a bitter struggle. Braithwaite thumped Rahe, 6-1, 8-6, and Davey humbled Evers, 6-3, 6-4.

The doubles matches provided the Pumas with a bit more competition, as both St. Joe duos were extended to three sets before registering wins.

McCabe and Fallowfield gave the Hawkins-Pluth combination a rugged workout before being subdued, 7-5, 6-8, 8-6, and Schnieders, and Zimmer had a tough time before defeating Rahe and Evers, 6-3, 2-6, 6-0.

Juniors Edge Sophs In Softball Clash, 9-8

The sophomore and junior all-stars got together for their second diamond encounter on Memorial Day, and the juniors eked out another win, this time by a score of 9-8. In the first game they emerged victorious by a count of 7-4. On Decoration Day, it looked like the sophomores held a commanding lead going into the last inning, when the upperclassmen broke loose for four runs off the offerings of Bill Heniff. Al Gallo pitched all the way for the juniors.

★ INTRAMURALS ★

Cahill Awarded Trophy By Father Falter Post

Bob Cahill, varsity first-base-man for St. Joseph's, received the first Father Falter Post Sportsman Award given for baseball. This was the third such trophy awarded by the campus veteran's organization this year, the other two being won by Gerry Wenzel in football and by Jack Wilz in basketball.

A regular starter at first base during the season, Cahill, a senior from Cicero, Ill., was a newcomer this year from Maryknoll College in New York. He is a Navy veteran of the last war.

HARRY & GLEN Barber Shop

Seven intramural games were played during the past two weeks which had been rescheduled because of rainouts. In the 16-inch league in the three games played, the Dirty Sox defeated the Jabbers by a score of 10-8, the Blacksheep beat the Dirty Sox, 22-17, and in the championship game between the two clubs the Blacksheep won again by shutting out their opponents by a score of 5-0.

Over in the 12-inch department in the four games played, Joe's Boys defeated the Clovers, 16-9, the Herd O'Turtles beat Al's Boys, 17-9, the Pinheads downed the Clovers, 10-5, and Joe's Boys won again by whipping the Black Sox, 6-1.

The Blacksheep, winners over the Dirty Sox in a playoff are the champions of the 16-inch league, while Joe's Boys are kings of the 12-inch league.

SCHOLARSHIP CHECK

Intermission in the Band Concert given on Parents' Day brought Father Zanolar, College President, to the band shell on the campus, where he greeted the parents and welcomed them to Saint Joseph's. Pictured above are Mrs. James Walsh, committee chairlady, and Mrs. Tad O'Connell, president of the Chicago Mothers' Club, presenting a \$500 check to Father Zanolar. The check is to be used to establish a scholarship here.

Bishop Dedicates Student Council Medaryville Church Gets Gold Keys

The new St. Henry church at Medaryville, of which Father Gilbert Esser, professor of Latin on the campus, is pastor, was blessed Sunday morning, May 27, by the Most Rev. John G. Bennett, D.D., Bishop of Lafayette.

Following the ceremony of dedication, Father Esser was celebrant of a Solemn High Mass, sung by the St. Joseph's College Choir, under the direction of Father Lawrence Heiman. Father Rufus Esser, brother of the pastor and professor of English here, delivered the sermon.

After the Mass the ladies of the parish served dinner in the church basement to the attending clergy, and in the afternoon an organ recital was presented in the church.

The new church, begun in May, 1950, replaces a frame structure built in 1868, and stands where the original church was erected. Built at the cost of \$80,000, the new structure is complete except for tower, stained glass windows, and bell.

Outlook Good

(Continued from Page Two) tunities and decreasing competition, but the picture is not so clear-cut in a few fields. The legal profession, for example, is somewhat overcrowded and new entrants will continue to meet considerable competition for desirable positions in which they can fully utilize their law training. Likewise, employment in journalism is not expected to expand very much in the near future. Competition for newspaper reporting jobs will continue, although there is a trend toward giving preference to journalism school graduates. Inexperienced people may have some difficulty in entering professional personnel work; best opportunities will be with rapidly expanding defense industries.

Office Work Plentiful
Shortages of office workers are widespread, and it will be relatively easy to get clerical positions in the near future. Employers are

again faced with the problem of high labor turnover rates, as relatively low-paid office workers move into better-paying jobs. Stenographers and typists are and will continue to be in especially great demand.

These are only a few illustrations of the varied effect of the mobilization program on different fields of work. Despite the differences mentioned, these examples all suggest that the job outlook is bright for this year's college graduates.

We Want Communists! (Continued From Page Two). the graces of Communist conversion, if we besiege His throne with supplications offered through Her.

The challenge is thus put to us. Through Mary we can turn the diabolical acts of the Communists into a zeal and devotion most pleasing to God. Atheistic Communists will turn to adore their Creator. Through Mary the Church will receive zealous men who can and will do more perhaps than any other generation. Ours is the responsibility. Communism weighs heavily on our conscience. Either we can sit back and do nothing, or we can let our love for men move us to work and pray for the conversion of Communists to God.

We want Communists!—Don Biniak.

Summer Session Begins June 23 On Busy Campus

The summer months at Collegeville will be teeming with activity. First on the list of events will be the annual retreat of the clergy of the diocese of Lafayette, which will begin on June 11 and continue until the 15th. To be held simultaneously with this retreat will be another for the Christian Brothers of Ireland who teach at Leo High School, Chicago, which will conclude on June 20.

St. Joseph's alumni will return to Alma Mater on June 16 for three days of festivities. The following week-end members of Alcoholics Anonymous will have the first of two retreats on the campus.

Other events scheduled for the month of June are the Eucharistic Family Day, sponsored by the Holy Name Society of the diocese of Lafayette, on Sunday, June 24; the Gregorian Institute of Church Music, June 24-29, and the annual Servers' Picnic on June 26. With Father Martin in charge of arrangements, more than 700 boys from parishes of the diocese are expected on the campus for the day-long outing. Summer School classes will begin on June 23 and will continue until Aug. 5.

Xavier's Parents Here

July will get underway with Xavier Hall students' annual Parents' Day on the first day of the month. It will be marked by a Solemn High Mass, sung by the College Choir, in honor of the Precious Blood, campus tours, a picnic dinner at Xavier Park, an informal program, and family visiting.

The Fathers of the Precious Blood will begin their annual retreat on July 23, under the direction of the Rev. Gabriel Diefenbach, O.F.M. Cap. The Chicago Bears will arrive on the campus for the eighth consecutive year for summer training on July 30.

The Newman School of Catholic Thought, undertaken to give Newman Club members in secular colleges and universities an intensified study in Catholic leadership, as well as a closer acquaintance with Catholic education, will be held on the campus the week of Aug. 5-12.

Clergy Confer

A second Alcoholics Anonymous retreat will be held Aug. 17-19, to be followed on the 21st by a Clergy Conference on Alcoholism which will bring well-known Clergy and physicians to the campus for the three-day meeting.

From Aug. 23 to 26, a Laymen's Retreat will be held here, reviving a custom discontinued during World War II.

Entering freshmen will arrive on the campus Sept. 10 for a three-day orientation session, before the arrival of returning students on Sept. 13. Classes will begin in all departments the following day.
